REPORTING TO
AUSTRALIAN CHILDHOOD IMMUNISATION REGISTER (ACIR)

OR

**VACCINATION INFORMATION AND VACCINATION ADMINISTRATION
SYSTEM (VIVAS)**

It is important to transmit either daily but no less than weekly any immunisation encounters at your practice to assist:

1. Lessen the number of errors that can accumulate and consequently reduces the amount of time to resolve issues
2. Reduce the likelihood of parents contacting the practice due to delays in Centrelink or Family Assistance payments

Practices considering new or updating billing software can refer overleaf for companies which have ACIR online compatibility
